FROM: Michael V. Powley, P.E., County Engineer

SUBJECT: Closure of Palomar Street at Lakewood Park Canal

WHEN: May 9, 2013. A schedule is being developed. The closure will be in effect for at least two months.

WHY: The culvert pipe beneath Palomar Street is in need of repair.

MAINTENANCE OF TRAFFIC: Residents affected by the closure should use Sebastian Road to the north to cross the Lakewood Park Canal. Motorists should exercise caution and follow the detour.
